Located in downtown Montreal, the Ellen university art center's program of exhibitions, events, activities and publications focuses on artmaking today and on its recent history as they interface with various curatorial strategies. Our programming responds to the communities, issues, tensions, projections, and changes that shape the society we live in. Artmaking and curating are seen to be at the crossroads of disciplines and as sites to engage in free critical thinking.

Front image: A scripted critical conversation by artist Althea Thauberger, collaborators and students on issues raised in the exhibition *Putting Rehearsals to the Test. It's not about models, it's about modelling* by curators Sabeth Buchmann, Ilse Lafer and Constanze Ruhm (September – October 2016). Photo: Pierre de Montalte.
